ACADEMIC QUALIFICATION

- Diploma of Website Development

Granville TAFE NSW

In the diploma course we studied advanced HTML with CSS, bootstrap and some JavaScript and JQuery. We worked more with PHP. We also learned ASP.NET and C# using Microsoft visual studio. And studied how to build databases using SQL with tools like MySql and MsSql.

- Certificate IV in Web-Based Technologies

Granville TAFE NSW

in this course I studied web development and design using tools and languages like HTML, CSS, JavaScript, PHP, SQL, Photoshop and WordPress. We worked on various project and touched all phases of the website development life cycle.

Experience

- SiteEasy - Strathfield, New South Wales Web Developer

3 Month Internship

In this position I used languages like HTML, CSS, BootStrap, PHP and SQL. My main responsibilities were fixing and modifying existing websites, creating new websites and adding new templates to their system which was based on PHP.
